Dear Parent/Carer

Re: Easter Revision Sessions

In order to offer additional help and support as we move closer to the summer GCSE exams, we are running a number of revision sessions during the Easter break. We appreciate that some pupils are getting anxious about exams and these sessions are aimed at easing some of that pressure. The sessions are spread across the holidays from **Monday 8th April to Thursday 18th April**. The times of the sessions are on the timetable on the reverse of this letter and pupils must arrive promptly for the start times.

As this is a half term break, pupils need to be escorted around the building at all times and so under no circumstances will pupils be allowed to leave a session and then return. On these days, there will be no facilities for purchasing food in school, so pupils can bring a snack and a drink if required. To comply with fire regulations, on their arrival pupils must sign in at Reception.

It is also essential that if your child comes to the sessions they should be focused and ready to learn. I understand that this is not term time, but I also wish for this to be taken seriously and I expect behaviour and attitudes to learning to be as they should be during a normal school day. If your child becomes disruptive or disturbs the sessions we will ask them to leave and return home. As this is during the school holidays, pupils are not expected to wear their school uniform.

As these revision sessions are in the Easter break, we totally understand the opportunity some parents have to take their children away for a holiday, so not all the sessions are compulsory. For those subjects where attendance is necessary, pupils will have been made aware of this and letters from those subjects will be sent home.

Thank you very much for your support and encouragement over the past few weeks with the revision that has been provided. I am sure it will have a positive impact on the outcomes our pupils achieve in the summer.

Yours faithfully

Mr A Smale
