Dear Parents/Carers,

I am writing to you with regard to your son / daughter's GCSE examinations in light of the tragic events which occurred yesterday evening in Manchester. Following confusion between the BBC, examination boards and their regulator concerning GCSE examinations this week I would like to make the school's position clear.

We will follow the latest advice we have just received from the examination boards which is that GCSE examinations will continue as planned, but we will be applying for special consideration for all of our pupils whose preparations may have been disrupted, and in particular those who attended the concert on Monday evening.

Our pupils have worked hard preparing for their GCSE exams and we are doing everything we can to support them through the next month.

Our thoughts and prayers are with all of those affected by the events on Monday evening.

Yours sincerely

D Randle
