Dear Parents, Carers & Pupils

First and foremost, I hope that you and your family are well.

Given the national closure of schools, we are working hard to support children's learning from home. This is something which will develop further as the weeks progress. Our web page has been re-designed to make access to e-learning much easier. Although the current arrangements are a massive challenge to parents, children and schools they also do present an opportunity for children to develop independent learning skills which can accelerate their learning when things return to normal.

If you have any queries or concerns during this very challenging time, please do not hesitate to contact the school.

My very best wishes.

D Randle
Headteacher
