

Geography Photography Competition

We are looking for the best 12 geographical photos for our geography 2019 calendar.

Geography involves much of our everyday lives, from our towns and cities to the natural features that surround us in our countryside.

What you need to do.

1. Take an **amazing** photograph that relates to geography.
2. Write a **description** (approximately 100 words) about where you took the photo, why you like it and a description of the geography that is in your photo.
3. **Save your photo** and be ready to bring it in when you return to school in September.
4. **Prizes** for all entrants and an extra special prize if your photo is selected for our calendar.

Look out for more information on the **Hollingworth Academy website**
